PUBLIC NOTICE OF APPEAL

TO: All Interested Parties
FROM: S.C. Department of Health and Environmental Control
SUBJ: North Myrtle Beach Baseline
DATE: June 16, 2006

The Department has determined the location of the baseline adjacent to the Atlantic Ocean at North Myrtle Beach, Horry County, South Carolina. Larry Brumfeld and Strand Investment Group of North Myrtle Beach, LLC, has filed a Petition with the Administrative Law Court to move the baseline on a portion of the beachfront in North Myrtle Beach. This Petition has been filed pursuant to S.C. Code Ann. §48-39-280(A)(4) (Supp. 2005). The matter has been assigned to the Honorable Ralph King Anderson, III.

Intervenors: A motion for leave to intervene, with the \$25 filing fee, shall be filed with the South Carolina Administrative Law Court, Edgar A. Brown Building, 1205 Pendleton Street, Suite 224, Columbia, South Carolina 29201, (telephone 734-0550) and served on all parties and shall state the grounds for the proposed intervention, the position and interest of the proposed intervenor, and the possible impact of the intervention on the proceedings. A proposed answer or position in intervention shall be attached to the motion.

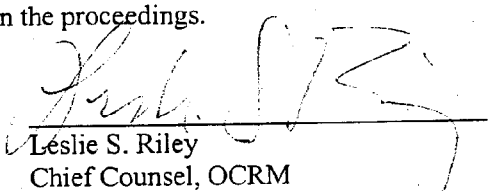

Any person may intervene in any pending contested case hearing upon a showing that:

- (1) the movant will be aggrieved or adversely affected by the final order;
- (2) the interests of the movant are not being adequately represented by existing parties, or that it is otherwise entitled to intervene;
- (3) that intervention will not unduly prolong the proceedings or otherwise prejudice the rights of existing parties.

Rules of Procedure for the Administrative Law Court, Rule 19.

The motion for leave to intervene shall be filed as early in the proceedings as possible to avoid adverse impact on the existing parties or the disposition of the proceedings. Unless otherwise ordered by the administrative law judge, the motion to intervene shall be filed at least twenty (20) days before the hearing. Any later motion shall contain a statement of good cause for the failure to intervene earlier.

A person granted leave to intervene is a party to the proceeding. The intervenor shall be bound by any agreement, arrangement or other matter previously determined in the case. The order granting intervention may restrict the issues to be raised or otherwise condition the intervenor's participation in the proceeding. If appropriate, the administrative law judge may order consolidation of petitions and briefs and limit the number of representatives allowed to participate in the proceedings.
